### Project Amigo

Presenters: Ted Rose & Susan Hill, told the story about Project Amigo and answered questions on how it got started and how it works today. They will be presenting at the District Conference in New Jersey. Here DG Pam and Club President Andy share a flag exchange with Susan and Ted. One district Rotarian has already been involved with the program, Lynda Hammond of the Hamden Rotary Club. She has fallen in love with this program and it's best supporter here in our District. Got questions? lynda.hammond@att.net

### You should have been there!

#### Ocean Place Conference

These are a few of the photo's from the Saturday formal dinner. There are lots more photos to come and you might want to talk to these people about the weekend. DG Pam was very pleased with the event and proud that New London was well represented. Couldn't fit all the attendees pictures in this week and with the short amount of time for this week's eAnchor, you get what you get. Thanks to everyone that made this event so special for Pam.
