Sometimes attending meetings has an "international benefit!"

Sue Wheeler-Office Manager for Akins wins Professional Service Award for all her Rotary Conference work.

Right: Long Branch Rotary Club meeting was attended by over 40 Conference Attendees. Far left is club President Fred along with the RI Rep and other District 7980 Rotarians. Below right, Barry Levinson presents a sampling of the goods collected for the Ronald McDonald House by our district.

Barry Levinson with the help of John Bysko and Bob Hayford (Tracee's husband) were able to bring an SUV and Van filled with items and cash cards for the Ronald McDonald house. Staff assistant RMH was quoted as saying that this was the most significant donation of gifts to the house in many years.. District 7980 Rotarians can be proud of all the good they brought with them to the conference for this community service project.

Island Night-Texas Night--Good times for all!
