N.L. Rotary Park a Regional Hit!

Parents and children from all over Southeastern CT. and Rhode Island have discovered our Park. The regional Easter Seals publication was in town to do a story that will reach their clients. What a great project for New London.

Camp Rotary Report

Marge Taggart-Dedrick

I spent an hour with Reona and the Rotary Camp staff this morning at Shiloh Family Center. I can tell you in sum that she is doing a MARVELOUS job! There are 33 campers, 3 teachers -math, science and language arts, and counselors -6 I think. I sat in on the classes and was impressed with language arts where they were reading The Day newspaper and debating some issues or in Math where they had to solve mental math problems and compete on teams. Definitely some innovative teaching approaches.
